

Cleanroom - Product Code: Shoe Storage Cabinet KSSC1050

Product Specification:

- Suitable for cleanroom, sterile rooms, food processing and research areas
- No dirt traps
- Slope top
- Adjustable feet
- All removable shelves

Product Dimensions:

Reference	Height	Width	Depth
KSSC1050	2290mm	1050mm	500mm
KSSC2100	2290mm	2100mm	500mm

Options:

Stainless Steel Grade	Finish	Thickness
304	Satin Finish 320 Grit Polished	2mm
316	Electropolished	3mm
	Bead Blasted	
	Bead Blasted & Electropolished	
	320 grit polished & Electropolished	
	Powder Coated	

Overview:

The Kent Stainless floor mounted shoe storage cabinets are designed to provide clean, organised slots for shoes inside the gowning area.

These freestanding units have excellent hygienic properties and are virtually maintenance free.

Maintenance:

Stainless Steel:

Clean the stainless steel components using warm water with a mild detergent with a non abrasive cloth or sponge. Heavier stains may require the use of a nylon scouring pad or a stainless steel cleaner. To remove paint or graffiti (or light concrete splashes) use a cloth and alkaline or solvent paint strippers according to type of paint.

For Satin Finish Stainless try to follow the direction of the grain when cleaning vigorously or polishing. For Bead Blasted Finish use a circular motion.

Rust spots or 'tea stains' can occur on the surface of the material, these are normally caused by contamination from ordinary mild steel, particularly in areas where construction work has been undertaken.

Where contamination of the stainless has occurred from ordinary mild steel coming into contact with the stainless, use Rust Remover 410. In cases where the surface is severely stained as a result of severe environmental conditions or scratched due to misuse, it may still be possible to restore the original finish using chemicals such as Oxalic Acid solution. There are many stainless steel polishes available to enhance the surface finish. We recommend [Mister Stainless Ltd.](#) as a provider for stainless steel cleaning products.
